DALE PITTMAN

BRAND ACTIVATIONS / CREATIVE PRODUCTION / HOSPITALITY

Denver, Colorado | 206.529.7110 | daleapittman@gmail.com | My Portfolio

Creative production and hospitality professional combining recent brand-activation delivery with earlier restaurant-opening and people-management experience. Work spans CWC conference activations, NBAA multi-format suites, and Gogo's Sphere placement. Connects creative execution, stakeholder coordination, and operational detail to deliver cohesive audience experiences.

PROFESSIONAL EXPERIENCE

Gogo Business Aviation | Graphic & Motion Designer | 2024-2026

- Designed CWC activation graphics and NBAA content suites across venue screens, multiple sizes, and aspect ratios, translating established brand standards into coordinated event and campaign experiences.
- Led day-to-day creative coordination between Gogo stakeholders and Sphere's production team for an approximately $750,000 advertising investment. Guided iterative concept reviews and supplied flat-map graphics and assets; Sphere's team created the final animation.
- Produced and co-directed video shoots with budgets around $30,000, providing proprietary assets and extending production value through reusable in-house campaign content.
- Built scalable motion and content workflows across campaigns, trade shows, and digital platforms, aligning visual execution with marketing priorities and cross-functional feedback.

Ellen Bruss Design | Design Intern | Sept. 2023-Mar. 2024

- Contributed identity concepts, typography, presentations, and print/digital production. Developed the selected identity direction for Edmond, subsequently refined by the studio team.

Revel & Quoin | General Manager, Opening Team | Seattle | 2010-2012

- Hired by chefs Rachel Yang and Seif Chirchi to help launch the original Revel and adjoining Quoin bar. Supervised 12-14 front-of-house and bar staff, with hiring, training, scheduling, and termination responsibility.
- Managed purchasing, inventory, payroll/tips, and the beer/wine program; helped operate a restaurant generating approximately $2 million in first-year revenue.
- Handled private-event client coordination, buyout invoicing, and food-and-beverage planning; led weekly staff education on products and service standards.

Broader hospitality background: fine-dining service across the United States, 2002-2020.

CAPABILITIES & TOOLS

Brand activation graphics; stakeholder and vendor coordination; video production and co-direction; multi-format delivery; staff training and supervision; purchasing and budget stewardship; environmental concept visualization.

Hands-on: After Effects, Premiere Pro, Illustrator, Photoshop, Figma, Fresco, Procreate. Familiarity: projection mapping, drone-production workflows, SketchUp, Cinema 4D. Environmental concepts developed through Fresco and Procreate.
